

OLD CORNERS SLAUGHTER Q. AND D. PITCHERS AND WIN BY LARGE SCORE

The Old Corners went on a batting rampage Monday night in their game with the Q. and D. and pruned four pitchers to all corners of the orchard for a total of 20 runs, beating the clover 9 to 1. It was a case of simply step up to the plate and bang out a hit and then come back and take another crack at it until tired.

The haberdashers started off strong in the first inning, scoring six runs, but then they had a great deal of difficulty in getting their other five. Jack Gleason, pride of the Third ward, who pitched for the Q. and D., was in the line of the smotherers, who were simply toyed with by the opposing team, allowing a hit now and then to keep the boys good natured. "Tiny Tom" Fitz, however, tolled long and willingly but although he pitched extra hard he could not keep the O. C. from clouting the ball. His support was none too good, which also accounted for not a few runs. The Old Corners in the first inning piled up 13 runs, and thereafter for the remaining four innings kept adding to their total.

Tiny Tom was sent to the showers after the first inning and Manager Jimmy Quinn took up the hurling duties. Jimmy fared little better than did his more corpulent teammate and he likewise was forced to retire in favor of Jerry Desmond, a southpaw. Jerry lasted about one-third of an inning and was forced to give way to Fran Bousch who had plenty of speed but little control.

George Tiger was some animal with the bat, getting two home runs in four trips to the plate. Not only did Benzel play a whole of a game with the stick but he also performed brilliantly in the outfield, nailing several hard drives with graceful ease. George sure is a great addition to the O. C. lineup.

Red McKenna had a busy time in the outfield for the clover and was chasing flies in the garden practically his whole time in the field. Mike Concor and Jim Sheridan, the two opposing second basemen, played fast games.

"Pop" Murphy, third baseman for the Q. and D., was the hitting demon for the clover, nailing the ball several times to the outfield, but was robbed of extra base hits by Benzel Tiger. As for the third baseman of the O. C., we saw very little of his ability as a ball player, although Mike Concor and the others had a good deal to say which fell short on being complimentary.

This game puts the O. C. in the lead in the series. There was no chance of any argument about the score, as the official scorer, Eddie Burke, kept a strict tabulated account of each run scored and acted as a ball player for the Old Corners. Eddie is one of the most enthusiastic fans that attend the twilight games.

**AVANTS AND NUGGETS MEET
AGAIN IN STRUGGLE TONIGHT**

The Avants and the Nuggets meet in the eighth game of their series tonight at the Fairgrounds. The Nuggets are leading by one game and if the Avants win tonight the series will be even, but if the Nuggets win they will win the cup for the series. Big Chief Madden will pitch for the Nuggets and Slim White will take them over for the Avants. We say "lose them" advisedly.

**BALTIMORE TEAM HAVE
BUSY WEEK BEFORE THEM**

The Baltimore A. A. will have a busy week before them as they play four games this week. On Wednesday evening the American League team plays against the Baltimore Co. team. Jack Flynn's team looks like a strong one and the B. A. boys will have to do some stepping to come through a winner.

**WHITE EARNS RIGHT
TO MEET LEONARD**

New York, Aug. 7.—Charlie White, Chicago lightweight, tonight knocked out Bobby Barrett of Philadelphia in the third round of their 15-round match in New York. White's victory was a hard one, as he was hit several times in the first round and was bleeding from the nose. He was hit again in the second round, but he came back and won the fight in the third round.

**WILLIAMS GET HOMERS
AS BROWNS WIN**

St. Louis, Aug. 7.—St. Louis swamped Washington today 16 to 1 for the locals' fifth straight victory. The Browns went on a rampage in the sixth inning, knocking Mordridge out of the box and scoring nine runs on four hits, seven of which were extra bases. Williams knocked out two home runs in the inning. Erickson who relieved Mordridge also was batted hard by the locals gathering five more runs in the eighth inning. Collins also drove out a homer. Wright held the Senators to eight scattered hits. Score: Washington (A) 1, St. Louis (B) 16.

**PIRATES TAKE SLUGGING

Philadelphia, Aug. 7.—Pittsburgh won a slugfest match from Philadelphia today in the first game of the series, seventeen to ten. Each team used a trio of pitchers. Glazner alone proving effective. Rapp led off with a home run, followed by a single. Smith, Walker, Lee and Glazner hit home runs. Score: Pittsburgh (N) 17, Philadelphia (A) 10.
